

EPOCH

Epoch Restorations and Adventures (ERA) specializes in finding and restoring vintage camper vans that speak to people. We truly believe that vintage is timeless, and timeless products never go out of style. We've had the privilege and fortune of working with some of the biggest brands in clothing, photography, music and many other leading industries. Whether it's a pop-up coffee shop for a private event, or a product release for a fortune 500 company, we have the ability to create curated experiences for various clients. Please consider Epoch for your next photo/film shoot, private event, product release, Music Festival or as a unique mobile hospitality option. Transform your marketing and events into a new ERA!

EPOCH BUILDS

Unique builds for unique clients. The beauty of custom builds goes far beyond aesthetic preference. We can custom build out your camper-van, pop-up shop, coffee cart, or adventure mobile to suit your needs. Quality, functionality and our customer's aesthetic are all aspects of the custom builds that we pride ourselves on!

The North Face custom Subaru build-out. North Face athlete spending the Summer training in the High Sierras and wanted a self contained build for their adventures!

EPOCH EVENTS

SONY brought 300 of their top photographers to Santa Barbara, CA for their release of two new lenses, and created a truly unique curated experience. They capped off the event with a concert and drinks served from our van, offering a one-of-a-kind event for these creative and talented photographers and artisans!

YEAHFIELDTRIP is one of the most highly anticipated photography and artisan workshops of the year. Our camper served as a photography prop for the 3 day event in Big Bear, California!

VESTAL VILLAGE is the largest off-site event and camping location for the Coachella Music Festival. Epoch vehicles were utilized both as check-in for campers and as a spot for photo opportunities!
